GOD IS A REWARDER

God has many blessings to give to his people. The bible states that "I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth." (3 John 1:2) In order to receive what God has for us we need to take steps to get these benefits as God truly desires to give them to us. James 4:8 indicates that when you "draw nigh to God, . . . he will draw nigh to you . . . ." We need to believe in God with all of our heart. It's just like you believing that you will get up in the morning and eat every day, likewise we must have simple faith in God (i.e., just know that he will do it) Hebrews 11:6 points out ". . . without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him."

As a Christian certain blessings come along with the territory. Listed below is what can be regarded as some *Successful Keys to Life* that belong to the Child of God through our trusting relationship with him.
