PRAYER OF SALVATION

Some people think that they have to get it all together before they can come to God. But, truly that is not the way that it works! If we had it all together then we wouldn't need a Saviour. Come to God, the creator of Heaven and Earth just as you are and allow him to make the changes in you.

Others think that because they are "good" they do not have to be saved from sin. However scriptures indicate differently by stating: *"For all have sinned**,** and come short of the glory of God;" (Rom. 3:23).* Consequently, if everyone has fell short of God's glory and sinned then it stands to reason that we all should ask God to forgive us of our sins, so that we can love Him, serve Him and turn our hearts over to Him.

What's important is God loves us, his Son, Jesus Christ, died on the Cross of Calvary and shed his blood for our redemption from sin.

Pray this prayer to repent of your sins and to invite God into your heart: Heavenly Father, I ask you to forgive me of all of my sins. I thank you for your Son, Jesus Christ, who died on the cross of Calvary for my sins and through the sacrifice of his blood all my sins are washed away and forgiven. I believe that Jesus has risen from the dead. Father, please change my life and help me to live a submitted life to you. Thank you for setting me free and making me a Child of God. In Jesus Name, Amen

You Might Wonder What Just Happened*.* - If you said the above prayer then you are considered saved (from sin) and "Born Again" as referred to in the Holy Bible John Chapter 3 verse 3. "Born Again" simply means that you experienced a spiritual birth, unlike when your mother birthed you, which was a physical birth. When your spirit becomes alive to God it is spiritual birth. Congratulations, and welcome to the family of God!

You Might Wonder Where Do You Go From Here? - Now that you are saved, it is important to ask God to lead you to a good bible-based teaching church, so that you can grow spiritually and learn more about God. You are now a newborn baby in Christ no matter what age you are. Babies make mistakes, they fall and they get back up again. If that happens to you, ask the Father to forgive you in Jesus name and he will. Problems and situations may still come and go, but the difference now is you have a Saviour to help you as the trials of life come and he will. Pray to the Father in Jesus' name when you need his help.
